MESSAGE FROM MY MY

DEAR COMMUNITY DIFFERENCE MAKER,

Because of my village and the game of golf, I am a living testimony—clear proof of what our future can be when we consistently and strategically invest back into our communities. I believe that our future is now, not later, and this future should not be defined by zip code or socioeconomic status.

The critical work that must be done to address generational cycles of poverty, violence, and despair requires a clear mission, major resources, and coordinated execution to sustain long-term measurable community impact. I am ecstatic to host the MY MY Foundation, Inc. Charity Golf Tournament on Saturday, January 4, 2025, at Hilaman Golf Course in Tallahassee, Florida—where this amazing journey through the game of golf all started for me.

Your participation in our tournament and financial support will play a major role in giving young people hope, opportunity, and inspiration. Your thoughtful investment into our local communities, state, and nation will change the course for thousands of youth, just like it did for me!

Striking To Make A Difference,
KAMAIU “MY MY” JOHNSON
FOUNDER, THE MY MY FOUNDATION, INC.

- Offering free junior golf clinics to introduce the sport to young people who may not have had the chance to experience it.
